MAP INFORMATION

Fund Source information is derived from MDNR's Land Ownership Database. Parcel information is compiled to the quarter-quarter section level. Similar Fund Codes are grouped together to create the nine Fund Source Categories displayed on the map.

COMPLETENESS and QUALITY

In general, the data does not reflect platted parcels, Private Claims, and parcels within the City of Detroit and/or Saint Clair County Flats.

The amount of acreage owned within a quarter-quarter section is identified by acreage labels in the upper-right corner of each quarter-quarter section.

The quality and completeness of this data is unknown. It is suggested that this data be combined with a second source, such as plat maps, to further identify ownership.

The information displayed on this map is intended for general purposes only. Specific ownership or fund source should be verified by contacting the MDNR.
