Compared to a sketch with two inscriptions from Edward Tiffin during a general of the land in the State having not the  
 shown a command had not been? the then-possibility and as that it at the side  
 and towards both sides a small part of the land had been divided in the field into small  
 lots and returned into the lot of the purchase of the same. But for the 20<sup>th</sup> of April 1826  
 Survey made by  
 Robinson Jones & Co.
