B. Description of corner evidence found and/or method applied in restoring or reestablishing corner:

No evidence of original B.T.s found.

Found an iron pin marking corner position located in the centerline of Old U.S. 2 which runs East and West, said pin located 2" below blacktop surface. Iron pin is located on a fence line running North.

I accept the iron pin as the best available evidence for restoring the corner position.

Corner record research on file with County Representative.

C. Description of monument for corner and accessories established to perpetuate locating the position of the corner:

Set one reference monument being a 5/8" diameter by 30" long rebar pin with a 3" diameter aluminum cap stamped as follows:
