B. Description of corner evidence found and/or method applied in restoring or reestablishing corner:

- 1993 Kennedy Surveying, Inc. - Kennedy, P.S. #17623 - Fnd 1/2" iron rod 2'± East of the center of Baldwin Road and 6'± North of the center of Brauer Road. Both are gravel roads.
- The witnesses in the power poles are still existing. They were used to recover the found 1/2" iron rod. A second 1/2" iron rod was found 6'± South and 1.5'± West of the Section Corner. This is the Southwest Corner Section 30 for Metamora Township.

I accepted the fnd 1/2" iron rod to the North as the best evidence of being the original corner position.
