**B. Description of corner evidence found and/or method applied in restoring or reestablishing corner:**  
C-9 Section Corner common to Section 19, 20, 29 & 30, T7N-R4E, Venice Township, Shiawassee County

Found no evidence of the original government corner or accessories. Found 1/2" rod with cap #24622 in monument box at approximate intersection of Lennon and Vernon Roads. Measured North to C-8 = 2627.37', and West to B-9 = 2630.78'. Found no conflicting evidence in the vicinity of this corner. During excavation we found a 2" iron bar below the 1/2" rod. We recommend accepting the found rod and 2" iron bar as the best available evidence of the position of the original government corner and replacing it with a standard Shiawassee County Harrison monument and monument box.

**C. Description of monument for corner and accessories established to perpetuate locating the position of the corner:**

C-9 Section Corner common to Section 19, 20, 29 & 30, T7N-R4E, Venice Township, Shiawassee County  
Set standard Shiawassee County Harrison monument and monument box.
