Part A. Corner History

a.) Quarter corner common to Sections 20 and 21. 1852 - Established by Guy Carleton, Deputy, midway and on the Section line between Section corners 40.06 chains north and south. Set post. Spruce 6" N37°W (no distance), Spruce 8" N88°E (no distance). 1993 - R.W.Crampton, PS noted the corner as being marked with a 1/2" iron pipe (found) in 1993 and states the following witnesses: 6" Fir N23°W 20.93', 9" Maple N70°E 31.97', 7" Maple S34°E 20.68', 8" Fir S58°W 28.05'

b.) Southeast 1/16 corner, Section 20. Established in 1993 by R.W.Crampton RLS at the intersection of 1/16 lines.

Part B: Surveyor's Report on Perpetuation, Restoration, Reestablishment, or Monumentation of Corner

a.) July 20, 2017. The original post and accessories were not recovered. Found a 1/2" ID Iron pipe, projecting 3 ft. above ground, loosely set, and at record bearing and distance from all four of the 1993 witnesses. The Fir S58°W is standing dead, the others are in good condition. Accepted the 1/2" I.pipe as the best available evidence of the position of the corner and replaced it with a new monument as described below.

b.) July 26, 2017. Found a 3/4" ID Iron pipe with plastic cap "LLS 24591" in good condition. Did not find any witnesses. I note that the position for this corner is about 4' west of that which might be determined by a regular subdivision using the 1999 position for corner 1/4 corner D7. I accepted the monument as a careful and faithful determination of the position of the corner.

Part C: Field Evidence of Perpetuation or Monumentation of Corner

a.) Set 1"IDx28" I.pipe with 2" alum. MDNR cap at the position of the found 1/2" iron pipe. Set measuring nail with MDNR tag in the side of: 7" Balsam N23°W 21.2' old blaze (1993 NBT) 18" Cedar S15°W 3.35'w/old marks.
