I, Stephan J. Szyszkoski, in a field survey on 04/09/13 do hereby state  
that under requirements of P.A. 74, Michigan P.A. of 1970, the corner points mentioned in lines 1 and 2  
above were in conformance with regulations and rules therefore as required in the current manual of survey  
instructions of the United States Department of the Interior, Bureau of Land Management or by a decree of  
a Court of Law and /or that the corner points mentioned in lines 3, 4 and 5 above were in conformance with  
the rules of the Michigan Board of Land Surveyors or by a Decree of a Court of Law; established,  
re-established, monumented, recovered, found as expressed below:

NOTE: Not more than 2 corners, all in the same town and range, may be recorded  
on this certificate.

A. Description of original monument and accessories and/or subsequent restoration:

(B7) Quarter corner common to Sections 18 and 19. 1961 - Billy D. Buckler RLS found no evidence of  
the original corner and reestablished same by single proportionate measurement between Section  
corners east and west. Set 1" pipe with 4" aluminum cap. 14" Hard Maple N16°E 08 links, 14" Hard  
Maple S58°E 42.5 links.

(B5) Quarter corner common to Sections 7 and 18. 1966 - Frank J. Bray RLS remonumented the corner  
position at record bearing and distance from the remains of two Original bearing trees: Cedar 12"  
N28°E 16 links, Cedar 12" S42°W 20 links. Set 1" iron pipe with 4" aluminum cap. 6" H.Maple N02°W  
07 links, 10" H.Maple S31°E 43.5 links.

B. Description of corner evidence found and/or method applied in restoring or reestablishing corner:

(B7) Found the 1961 monument in good condition, apparently undisturbed, but in an erroneous  
position. Mr. Buckler seems to have made a measurement error along the line between Sections 18 and  
19 which resulted in this monument being installed S44°W 26.5' from the intended position, and the  
monument at A7 being installed S74°W 36.4' from the intended position. I did not accept the 1961  
positions at either A7 or B7 and reestablished B7 by single proportionate measurement to the  
original record between Section corners 2412.77' west (36.31 ch. GLO) and 2657.96' east (40.00 ch.  
GLO). Removed the 1961 monument.

(B5) Found the 1966 monument in good condition and at record bearing and distance from the remaining  
1966 NBT now a 13" Sugar N06°E 07 links in good condition with overgrown blazes. Accepted the  
monument as a careful and faithful perpetuation of the position of the original corner.

C. Description of monument for corner and accessories established to perpetuate locating the position of the corner:

(B7) Set 1"IDx32" I.pipe with 4" alum. MDNR cap.  
Set measuring nail with MDNR tag in the side of:  
4" Sugar N09°E 11.55' mrkd "1/4S NBT"  
18" Hemlock S23°E 4.95' do  
17" Sugar S53°W 21.35' do  
17" Sugar N75°W 15.05' do  
Set sq'd cedar post adjacent.  
E= 7877284.681 N= 216781.750

(B5) Found 1" ID I.pipe with 4" alum. MI Dept. of  
Conservation cap. Set measuring nail with MDNR  
tag in the side of:  
13" Sugar N06°E 4.95' old blazes (1966 NBT)  
5" Basswood S74°E 12.95' mrkd "1/4S NBT"  
7" Sugar S04°W 28.4' do  
12" Sugar N48°W 39.2' do  
Set sq'd cedar post adjacent.  
E= 7877319.927 N= 218389.915

Bearings are magnetic. Coordinates are MCS83 in meters (NAD83(2011) Datum)  
Coord. Ref.=NGS PID DI1837: N= 221257.624 m. E= 7884435.168 m.
