Property in Sec.

1/2 Corner 7 & 12; T.46 N., R.45-46 W.

I, Richard L. Drahnin a field survey on October 28, do hereby certify that under requirements of P.A. 74, Michigan P.A. of 1970, the corner points mentioned in fines 1 and 2 above were in conformance with regulations and rules therefore as required in the current manual of survey instructions of the United States Department of the Interior, Bureau of Land Management or by a decree of a Court of Law and/or that the corner points mentioned in lines 3, 4 and 5 above were in conformance with the rules of the Michigan Board of Land Surveyors or by a Decree of a Court of Law; established, re-established, monumented, re-monumented, recovered, found as expressed below:

_ R _

NOTE: Not more than 4 corners, all in the same town and range, may be recorded on this certificate.

A. Description of original monument and accessories and/or subsequent restoration:

Corner established by John Burt on 9/1/1847. Original B.T.s --- Cedar 10" S.40 E. 13 links (8.58') --- Spruce 6" N.24 W. 14 links (9.24') ---

R. Burke & J. Peryam, timber cruisers, recovered this location in Feb. 1955. They reported a USFS Location Poster and recovered a leaning 12" Cedar signed by Wade Weston, on which he wrote "B T". 1955 notes state that work on B.T. was "very old".

B. Description of corner evidence found and/or method applied in restoring or reestablishing corner:

Restored corner position at record bearing and distance from the remains of the two original B.T.s. The first, very badly decayed 14-16" Cedar with portions of the blaze overgrowth and face blaze still evident. second on is now an extremely badly decayed 10-12" Spruce stump. The Cedar 8" line tree 0.20 chains (13.20') south, is now a large windthrown depression.

Recovered a 1935 era USFS Location Poster on a 8" Balsam stub bearing N.49 E., 8.4' from the original corner location.

Corner research on file with Gogebic County records.

1 h. 2) ralm 11/24/98 COPACA

C. Description of monument for corner and accessories established to perpetuate locating the position of the corner:

At the corner I set a 3/4" X 8' aluminum rod with a $3\frac{1}{4}$ " aluminum cap, stamped to indicate the corner position and the following new B.T.s.

6" S.55 E. Cedar 14.58' 5" Cedar N.52 E. 9.93 9" Cedar S.57 W. 21.20' 6 ' Steel sign rail N.17 E. 2.941
