| A. Description of original monument and accessories and/or subsequent restoration: G.L.O. 1824 Hervey Parke D.S. Set 1/4 Sec. post in creek W. Oak 10 S 6 W 92 No other 1965 Kenneth Suydam while employed for Walter Frazier did a survey in Section 12. Mr. Frazier computed a location for the corner by extending the fence line from the post at the center of Section 12 and the post at the east end on the west side of a cemetery on the west side of Townline Hwy. which is in both 1/4 Sections. He reestablished the town line by measuring 2640' east from the fence line on the North and South 1/4 line along the South line of Section 12 and at a point approximately 1130' north of the south line. 1982 I retraced Walter Frazier's survey and computations and set a 1 1/4" X 40" iron pipe on east bank of Wolf Creek and recorded it in Liber 5, Page 51 | | | | | | | | | | | | |
| B. Description of corner evidence found and/or method applied in restoring or reestablishing corner: August 22, 2000 Kevin Pickford PS found 1 1/4" iron pipe @ location recorded in Liber 5 Page 51 and replaced it with a 30" Harrison Monument. The peer group rejected this location on 8/22/00. October 12, 2000 I found a iron pipe 893' north that Kenneth Suydam had set at a old fence corner in 1964. Fences running N and E. He ran a line from A-3 T6S R3E as monumented by J.L. Richard in 1927 and described it as being the Section line. 1966 I had found the iron and ran a line north to the A-3 T6S R3E as monumented and described the line (occupied by a old fence) as being the Section line. Oct 2000 I tied in the iron pipe set by Kenneth Suydam in 1964 to a traverse we ran from M-3 T6S R2E to a iron pipe found at M-5 T6S R2E. I computed a point on the Southerly extension of a line from A-3 T6S R3E (as monumented) thru the iron pipe set by Kenneth Suydam in 1964 and a line between the Harrison Monument at the location of the recorded corner in Liber 5 Page 51 and a found iron pipe @ the center of Section 12 T6S R2E. This computed point is 26.50 feet west of the Harrison Monument. I set two reference monuments on the line between the iron pipe at the center of Section 12 and the Harrison Monument. | | | | | | | | | | | | |
