SUMMARY

May 25, 1995

C-12 WEST 1/4 CORNER SECTION 32, T4N-R6E, TYRONE TOWNSHIP,
LIVINGSTON COUNTY, MICHIGAN.

Found 1/2" rerod (1'± deep), 3'± south of old wire fence running east and in line with old wire fence running to the north.

Found 2 of 3 of Grant Ward and Darrell Hughes witnesses and they checked, pages 11, 12, and 14 this dossier. Found 4 of 5 of Albright witnesses, and they checked, page 15 this dossier.

Distance from the West 1/4 corner to the N.W. corner of said Section 32 is 2659.00' on Garlock survey, page 8 this dossier, and 2659.07' on Hughes and Albright surveys, pages 13 and 15 this dossier.

Distance from the West 1/4 corner to the S.W. corner of said Section 32 is 2666.92' on Albright survey, page 9 this dossier, and 2665.21' on Grant Ward survey, pages 11 and 12 this dossier.

Made a clean sweep of immediate area and found no additional irons or corners.

Old fence line to the north and east. No other occupation.

Terrain is wooded north, south and east, and open to the west. Lake Shannon lies 40'± to the west.

Poor location for G.P.S.

Came to the conclusion that the 1/2" rerod we found is the correct West 1/4 corner of said Section 32.

Edward E. Anderson
