Register of Deeds Stamp & File Number

I, GERALD W. CARLSON, in a field survey on October 19<sup>th</sup>, 2000, do hereby state that under requirements of P.A. 74, Michigan P.A. of 1970, the corner points mentioned in lines 1 and 2 above were in conformance with regulations and rules therefore as required in the current manual of survey instructions of the United States Department of the Interior, Bureau of Land Management or by a decree of a Court of Law and/or that the corner points mentioned in lines 3, 4 and 5 above were in conformance with the rules of the Michigan Board of Land Surveyors or by a Decree of a Court of Law; established, re-established, monumented, recovered, found as expressed below:

**NOTE:** Not more than 2 corners, all in the same town and range, may be recorded on this certificate.

**A. Description of original monument and accessories and/or subsequent restoration:**  
C-13: Corner common to Sections 31 & 32, T49N-R26W.

1844: Austin Burt's original Township Line survey notes of T49N-R26W, describe the corner monument as a wood post referenced by:

14" Hemlock N56E, 25 links 10" Maple N52W, 34 links

1981: Robert E. Schmeling found a ½" dia. By 4' long iron pin and accepted it as the Section Corner Common to Sections 5 & 6, T48N-R26W and Sections 31 & 32, T49N-R26W. Mr. Schmeling verified this location by Original BT evidence he recovered, which witnessed the Corner Common to Sections 31 & 32. Mr. Schmeling placed a 1" dia. By 4' long pipe with brass cap stamped to identify the corner over the found iron pin and established the following references:

Hard Maple 7" N66E, 14.9' (Scribed: S32 T49N R26W NBT)

Hard Maple 7" S56E, 11.9' (Scribed: S5 T48N R26W NBT)

Hemlock 7" S24W, 15.2' (Scribed: S6 T48N R26W NBT)

Hard Maple 8" N86W, 24.0' (Scribed: S31 T49N R26W NBT)

5" Cedar Post/Tag North, 2'

**B. Description of corner evidence found and/or method applied in restoring or reestablishing corner:**

C-13: 2000: Found and accepted as the Southeast Corner of Section 31, T49N-R26W the Robert Schmeling monument described in part A above. Mr. Schmeling incorrectly stamped this monument as the Corner common to Sections 5 and 6, T48N-R26W and sections 31 and 32, T49N-R26W. During the monumentation of the Northeast Corner of Section 6, T48N-R26W we dug away the topsoil and found a rotting piece of wood standing vertical at the location, which we were monumenting. It is very likely that this is an old subsequent wood post if not the original GLO post confirming the Closing Corner Location.

**C. Description of monument for corner and accessories established to perpetuate locating the position of the corner:**

C-13: 2000: We accepted the found monument identified in part A above and since it was in good condition and stable, did not replace it. Monument is now stamped "MCR 2000" and is 1.3' above ground on the Southwesterly side of County Road 510 approximately 75' from centerline and 20' above the road surface. Referenced by:

6" Maple (RES NBT) N75E, 14.94'

6" Maple (RES NBT) S62E, 11.82'

9" Hemlock (RES NBT) S30W, 15.33'

7" Maple (RES NBT) N85W, 24.26'

Northeast Corner of Section 6, T48N-R26W S89°38'47"W, 13.75'

4" Square Cedar Post w/ tag S50W, 1.65'

Distance East 2638.37', distance West 2618.33'.

Note: Bearing trees have painted face, butt, and side nail blazes, d.h. measuring nails, and stamped B.T. Tags affixed.
