do hereby certify that under requirements of P.A. 74, Michigan P.A. of 1970, the corner points mentioned in lines 1 and 2 above were in conformance with regulations and rules therefore as required in the current manual of survey instructions of the United States Department of the Interior, Bureau of Land Management or by a decree of a Court of Law and/or that the corner points mentioned in lines 3, 4 and 5 above were in conformance with the rules of the Michigan Board of Land Surveyors or by a Decree of a Court of Law; established, re-established, monumented, re-monumented, recovered, found as expressed below:

NOTE: Not more than 4 corners, all in the same town and range, may be recorded on this certificate.

A. Description of original monument and accessories and/or subsequent restoration:

- 1848: Original Survey (Twp Boundary) by James H. Mullett - B.T.'s - Hemlock, 12"- N21°W - 17 lks; Lynn, (no size) N73°E - 45 lks. All original evidence for this corner has been destroyed by county road improvements.  
1848: Original Survey (Sec. Subdivision) by John H. Mullett - B.T.'s - Hemlock, 12"- S62°E - 17 lks; Hemlock, 13" - S58°W - 11 lks. All original evidence for this corner has been destroyed by county road improvements.  
1981: Certified Survey No. 215 by William Lenca, RLS No. 26461, shows this corner in relation to other corners in Section 35, T34N-R27W. The survey legend indicates a 1/2" dia. iron was found. No corner ties are shown.

3. Description of corner evidence found and/or method applied in restoring or reestablishing corner:

We found a 4 inch square concrete monument with a 1/2 inch diameter iron rod in the center in a location matching measurements to corners North and West of the location. The corner is in line with the centerline of county roads North and West and in line with an ancient fence running South. We accepted the position of the concrete monument as the best available evidence of the position of the original corner.

D. Description of monument for corner and accessories established to perpetuate locating the position of the corner:

5/8" x 24" Iron Rod/2" cap marked WITNESS MARKER	N42°E	45.30 feet
