AND

CIRCLE CORNER REGISTERED

DESCRIPTION IN DETAIL AS TO HOW CORNER WAS LOCATED AND IDENTIFIED OR RESTORED.

This corner was established while making a retracement survey in this area. The position for the corner was established on prolongation of a line through the NW and the NE corner of Section 6, T24N-R10W and in line with an old line fence to the North. This fits the survey of Sec. 6, T24N-R10W by E. P. Waterman in 1909 and the survey of Sec. 31, T25N-R10W, by E. P. Waterman in 1913.
