in streets located near the streets and alleys to be vacated.

The Corporation Counsel contends that these relocating costs are not chargeable against the City. The case involving the liability of the City for these costs is now pending in the Michigan Supreme Court.

All City departments reported that they will be unaffected by the vacation of said streets and alleys.

In view of the foregoing, it will be necessary to adopt a resolution vacating the aforementioned streets and alleys and directing the Detroit Edison Company, the Michigan Bell Telephone Company and the Michigan Consolidated Gas Company to remove their installations therefrom.

Respectfully submitted,
GLENN C. RICHARDS,
Commissioner.

ROBERT REESE,
Corporation Counsel.
