I have all men by three pounds that live
between 20 and 40 and about 40 west of Muskegon
County of Ottawa and that of Muskegon in fact
of the city. In addition add those to the
village of Muskegon and that are the western
part of the north east County of the North & O
— township No. 10 west of Range No. 16 west
We have there that this is a census map
of the section to the east village of
Muskegon. Every man that is shown
and live to by three pounds from the
street, including the house for the higher
part of the North as they have been and
that live there and through the house
and include as the one that live west
about in the south west
highest large village
In some of our village
