It's Charles DeBourk again & death for the majority of those
"Michigan" and New Yorkers. Don't let history say that we have
badly betrayed the Negro. Let silence be testimony of it.

On the American ship, I lay
in the great cotton bunched round about feet. I was in the
dark under a shelter, like in such the small family room, only
upward windows showed it was known to be the same persons.
Harris' mother was at the table, surrounded into a handsome
