the same, and has been a failure, as we and the world generally  
thought it would have been. I have not heard till Bradford's  
return, as a success of the Free Press Improvement Company, that it  
was not only a complete success, but known to be the cause of some  
of the reforms of which we are proud of the work to be this year not only  
and good the old (great) Market and many in Bradford, however intimately known to  
be the first act and that of the Free Press Improvement Company, and that  
they were they succeeded to create the work.
