[illegible]

John Brown,

The first of these is that the word "general" is used in a very broad sense, and is applied to a wide range of subjects, and is not confined to a single subject. The second is that the word "general" is used in a very broad sense, and is applied to a wide range of subjects, and is not confined to a single subject. The third is that the word "general" is used in a very broad sense, and is applied to a wide range of subjects, and is not confined to a single subject.
