TO WHOM IT MAY CONCERN:

YOU ARE HEREBY NOTIFIED that the eighteen (18) foot wide alley, running North/South in the WM. TAIT'S SUBDIVISION OF PART OF THE CHURCH FARM, in the block bounded by FIELD, SHERIDAN, FORD X-WAY AND HARPER AVENUES, was vacated by Resolution of the Detroit City Council Petition No. 4966 on February 24, 1982.

An easement for the entire width of the vacated section of the alley was retained for utility purposes. All existing utilities in this alley except for Public Lighting Department alley lighting will remain in their present location unless the property owners request they be relocated. The property owners making such requests must pay all costs incidental to such removal and/or relocation unless such charges are waived by the utility owners. There is no charge for removing Public Lighting Department alley lights.

No buildings or structures of any nature whatsoever except necessary line fences shall be built upon the easement or any part thereof so that this easement shall be forever accessible for maintenance of the utilities.

Do not change or move the position of your fences until you have been notified by the Department of Public Works.

Thank you in helping make Detroit a better place to live.

Very truly yours,
