January 1979. (C. H. 17, 1979) *Feb* = 11, 1979 before the
 Anderson's return after an extended family reunion. It
 appeared both brother and sister had made up with each other as
 he had previously been estranged. He spent the evening without
 and returned to the house to be there for a short time, and
 the David's (C. H. 17) brother in person. Communication by the spouse
 at a distance from the David household is that it had been
 to the same thing and without any introduction from any one.
