heard what A. Candler and Geo. F. Candler had said with
of the village of South St. Marie, Chittawa County, Michigan
in answer to the letter sent to him by the same to be given to my father and
said. And he said Edith Candler was of the same blood as
Candler on a pure Spanish origin, being a Spanish and Spanish
from his said Spanish acknowledged had the existed
the same family and with our father's father from
any one.

P L A T -

TITLE
In re petition of the
City of Sault Ste Marie

vs
John McKee et al
proceedings to condemn
private property in said
City opening and extending
Arlington Street

Under proper proceedings brought in the Cir-
cuit Court for the County of Chippewa
a Jury established the value of property
taken by said city for public use and fol-
lowing description includes the land so
taken.

DESCRIPTION:

The opening and extending of Arlington Street from Douglas Street westward to Pine Street, to a width of 40 feet, the center line of said proposed extension of Arlington Street being a line running from an iron stake at the intersection of the center line of Arlington Street, as now laid out between Douglas Street and Ashmun Street, with the east line of private land claim number 24, being 184 2/10 feet northerly along said east line of private land claim 24 from the north line of Spruce Street, westerly to an iron stake situated in the east line of Barbeau's subdivision of private land claim 18 at a point 196 feet north of the north line of Spruce Street, being in the center of a twenty foot street as platted and recorded in Barbeau's subdivision of said private land claim 18; running thence westerly along the center of said twenty foot street in a direct line to an iron stake situated in the east line of Pine Street 217 5/10 feet north of the north line of Spruce Street, and being at the intersection of the center line of said twenty foot street with the east line of Pine Street, which center line of said proposed extension of Arlington Street is hereinafter called and referred to as the "Center line of said proposed extension of Arlington Street" The north line of said proposed extension of Arlington Street and running parallel therewith, and the south line of said proposed extension of Arlington Street being twenty feet south of said center line and running parallel therewith in accordance with and as designated on the map hereto attached prepared by City Engineer, James A. Lawrie, dated November 25th, 1899.
