Jan'y 21st 1897
John F. Wilkinson
Supt. Auditor General

3. J. Lovell
Dun & Co. Eng.

I hardly realize that the polar-brown distinction is a correct one, and that permanent nonmigrants have been planted all angles in the foundation of the Lima forest, and of all interest. One of your markers ① is an *Acropora* shell.

of a portion of line taken from the lower part of section 9, in the Township of Assumption lying north of road 8222 and about four feet east of the center of the village of Newkirk.

MERCURE'S SUBDIVISION.
