

VILLAGE AU SABLE
 Situated at the mouth of the River au Sable at the junction of Saginaw Bay and Lake Huron in Traction N. 1 of Sec 10 of Twp. 23 North of Range 4 East Jones County State of Michigan
 Official Record 1906 by H. Martin
 Surveyor of Saginaw and Midland County
 This place is very remarkable for fishing and lumbering fishing is carried on with great success and many years lumbering has not commenced yet, but large quantities of white and Norway Pine have been made on this river by lumber companies. The river has depth enough and will make a fine harbor for any vessel as soon as the projected pier is made which will remove with but very little expense the sandbars out of the mouth of the river.
 The regular lots are 50 feet by 100 and the streets 50 feet
