

William McElle addition! Received for record the 1st day of June
1870

The Village of Monroville } during St. John's term, Register
of 1708 up to 1720 was 1. 11.

State of Michigan } 35. This is to certify that I have been employed to survey
Barreny of Manitowish }
the North East quarter of the South West quarter of section No twelve in Township
No twenty-one North of Range No seventeen West and to lay out the North half
of the same into the lots as an addition to the Village of Manitowish and that
the accompanying Plat is a correct representation of the same, that the North
West corner of said tract is twenty (20) chains, North 87° 15' East of the West quarter
post of said section twelve and that the South West corner of said tract is
marked by a horizontal post from which a white line two hundred years inches
in diameter runs with section eleven West sixty-one and a half chains distant and another
white line three hundred and two inches in diameter runs South thirty eight degrees West one
hundred and three links distant. Bearings of line taken from Magnetic Meridian.
Being two of every seven according to the true Meridian very nearly. Scale of
feet five an inch to the common Gunter chain
