

The land was platting fractional lot and number eighteen (18) of the block between and with addition to the City of East Wagon, within County of Wagon and State of Michigan as is shown in the plan of the plat, notes of Wells, for Wagon County. The lot line indicate the boundary of the said lot 18, and the numbers of the lots and fractional lots bordering with them are as given on the plat. The street is twenty five (25) feet in width, and will be widened to thirty six (36) feet as soon as the said lot 790 Newton (19) is duly platting as shown on the annexed plat.
