I know all men by their friends, that use the Atlanta Real Estate Company of Ray Co in the County of Day and that state of Michigan are the proprietors of the land included in the Plat and that the Census has been taken to be surveyed and paid for as that to the nearest by William Miller. Civil Engineer and Surveyor of Ray Co. that has the purpose of laying out said land into an addition called Atlanta also has given address to Ray Co. Ray County state of Michigan under and by virtue of the provisions of Chapter 28 of the Compiled Laws of Michigan and the Act of the Legislature of Michigan passed and entitled the same for the purpose and meaning of the said Ray County. I signed and attested and has no other manner which we have known. Not sure Ray Co. is the place next most likely of being layed out. Extraordinary day of July. 1873.
