Witness my hand and Notarial Seal at Big Rapids the day and year first above written

E. O. Rose, Notary Public.

State of Michigan } ss: On this eighth day of May A. D. 1867.

before me a Notary Public in and for said County personally appeared Augustine M. Williams to me well known and being by me duly sworn both before and say that he is by profession a surveyor and in that capacity he did in the month of May instant accurately measure, survey and lay out for Thomas D. Stinson an addition to the Village of Big Rapids shown on the map or Plat hereto attached and called "Stinson's Addition to the Village of Big Rapids".

This Addition is located upon the North East corner of the South East Quarter of the North East Quarter of Section Number Fifteen (15) in Township No. Fifteen (15) North of Range Number Ten (10) West in the County of Mecosta and State of Michigan and consists of a piece of land Eighteen Rods square in the said North East corner of the said description of land exclusive of the Highways on the North and East sides thereof. He further says that said Addition consists of Twelve Rods measured consecutively from one to Twelve inches and one half of a Highway on the East and North sides thereof and on alley running through the center Twenty feet wide extending North and South.

He further says that each of said lots is Forty-nine feet and six inches wide front and rear and one hundred and thirty-eight feet and six inches in length and that the total width of said Highways platted is thirty-three feet.

He further says that the initial or starting point from which the measurements in platting and laying out said Addition one made is the Eighth foot on the East side of the North East Quarter of said Section Fifteen and is designated as follows to wit:

by an iron Pin - Eighteen inches long and an inch and three quarters in diameter or thickness being a piece of round iron bar sawed off at one end and cut and broken at the other which is set in the ground about six inches below the surface

He further says that the North East corner of Lot Number Twelve is thirty-three feet south and the same distance West of said Eighth Rod and further that the South East corner of Lot Number Seven (7) on said Plat is Twenty rods South and thirty-three feet West of said Rod.

He further says that the North West corner of Lot Number one of said Plat is Twenty rods West of said Rod and thirty-three feet South of the Eighth line as established by survey which survey brings said North West corner of said Lot Number one Twelve feet North of the North East corner of Lot Number one on said Plat.

In testimony whereof said official hath hereunto set his hand the day and year first above written

In presence of
C. C. Fuller, E. O. Rose
