Record of Survey and Plat of Clark & Fuller's Addition to the Village

of Big Rapids.

State of Michigan

County of Muskegon

1886 before me Judge of Probate in and for said

County personally appeared George W. Green to me

well known and being by me duly sworn did depose and say that he is by profession

a Surveyor and in that capacity he did in the month of June and July A.D. 1886

personally measure survey and lay out for Alfred S. Clark an addition to the Village

of Big Rapids shown on the map or plat here attached and called "Clark and

Fuller's Addition to the Village of Big Rapids." This Addition is located upon and

comprises the whole of the North East quarter of the North East quarter of section

number fifteen (15) in Township number fifteen (15) North of Range number ten

(10) West of the County of Muskegon and State of Michigan containing a piece of land

Twenty rods wide East and West and forty rods long North and South out of the

North East Corner thereof which said piece of land is currently located in the Plat

to which this is attached he further says that Clark Street Green Street and

Spring Street in said Addition are each Sixty-six feet wide and that Division

Street is Eighty feet wide and that the alley between Clark and Division Streets

is Twenty feet wide he further says that the lots in Block number One and Four

are each one hundred and eighteen feet wide and three feet wide in width at

each end and two hundred and thirty feet wide in length that

the lots in Block Five are each one hundred and eighteen feet wide and three

feet wide in width and one hundred and forty-three feet and three inches

in length that the lots in Block Two and Three are each one hundred and

eighteen feet wide and two and a half inches in width front and rear and two

hundred and thirty feet wide in length that the lots in Block

Six are each one hundred and eighteen feet wide and a half inches in width

and one hundred and forty-three feet and three inches in length that

the lots in Block number Seven are each one hundred and eighteen feet wide and

a half inches in width front and rear and twenty rods in length measuring from the section

line on the East and Thurgood that Block number Eight is Eighty feet wide

and three feet wide in width front and rear and twenty rods in length measuring

from the Center of State road in the East and that all the Blocks herein mentioned are

more or less the whole of the Blocks on said Clark and Fuller's addition

and he further says that the Survey or Plat from which the measurement

and survey said Plat is commenced is the Quarter Section the East side of said

Section Thurgood which is marked and designated by an iron stake placed in the

ground about eighteen inches below the surface said stake being a piece of a cut

iron about one inch in diameter and three inches wide weighing eleven

pounds and a half pounds the same being two 3/4 inch holes through it one two and a half

inches from the end and the other two inches from the other end that this stake

is placed a stone of a reddish color weighing about 17 1/2 pounds said stone having

a strip of white something marble through about the center also a small

hole in the top in which is driven a piece of steel about half an inch long the

furthest end of the hole in said stone is directed in directly over said stake

and is the said piece of common cement of survey said Plat he further says that

the North East corner of said number four (4) in Block Seven in said Plat is thirty

thirty feet and the same distance west of said quarter Plat that it is five

hundred and four feet and the same distance North and thirty three feet west from said

quarter Plat to the North East corner of said Block Seven he further says that

the South West corner of Block Two (2) on said Plat is Eight Rods west and two

feet North of said quarter Plat. He further says that the plat here-

to annexed is a true plat or map of said addition as surveyed by him

and that he has in conformity with the laws of the State of Michigan

affixed thereto his signature and hereby acknowledged the same to be

his free act and deed.

Sworn and subscribed before me the day

and year first above written.

Geo. W. Green

Judge of Probate

in Muskegon Co., Mich.

Shenby certify that this plat is a correct copy

of the plat now on record in the Register of

Deeds office being made under the supervision

of the Auditor General by having the plat on

record and affixing thereto a carefully com-

pared copy of the dedication and certificate.

Dated this 8th day of Aug. 1911
