

A Plat of Tullin's Addition to the Village of Big Rapids
PART II

That the lots on Block six are each Fifty-seven (57) feet in width front and rear, and two hundred and eighty three feet in length. That lots one, two, three, and four, on Block seven, are each fifty seven feet in width front and rear, and lot five same width of East end and forty six feet wide at west end being two hundred and eighty three feet in length.

That each lot on Block Eight is one hundred and forty-three feet three inches in length. That lots one, two, three, four, seven, eight, nine and ten, one each fifty seven feet in width, front and rear.

That lot five in said Block is forty six feet six inches wide at East

end, and forty one feet six inches wide at the West end thereof.

That lot six on same Block is forty one feet wide at East end and thirty-seven feet wide at West end thereof.

That each lot on Block nine is one hundred and forty three feet in length, lots one, two, three, and four on said Block one each fifty seven feet in width, front and rear, and lot five of same Block is thirty-four feet six inches wide at East end thirty feet wide at West end.

He further says That the streets of said Addition are as follows viz. Clark Street sixty-six feet wide, Division Street, Morrison Avenue, and Williams Avenue, each eighty feet wide and Perry Avenue which is sixty seven feet in width.

He further says That the width of the Highway on the North side of said Plat and the State Road on the East side of the same one each plotted forty seven feet in width from the center of each according to the original survey of said Highways to the line of the lots bounding thereon.

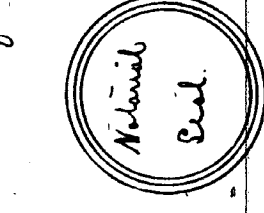

He further says That there are two Alleys on said Addition running from North to South each being twenty feet wide extending from the North side of said Plat to Perry Avenue on the South.

He further says That the line of the starting point from which all the measurements on said Addition are made, is the quarter Post at the North East corner of the North East quarter of the South East quarter of Section Number Fifteen (15) in said Township Fifteen North of Range Two West, said County of Minnesota which quarter Post is marked and designated by a stone of a reddish color with a seam or hole in the top in which is driven a piece of iron about one half an inch square and three fourths of an inch long which is intended to mark the precise location of said quarter Post.

He further says That the North East corner of Block No one is forty seven feet West and the same distance south of said quarter Post. That the South East corner of Block Number seven is forty seven feet West and Twelve hundred and thirty-three feet South of said quarter Post. He further says That the said quarter Post was established by Geo. W. Green on the initial of the Plat.

of Clark and Tullin's Addition to the Village of Big Rapids. He further says That the Plat here annexed is a true Plat or map of said Addition as surveyed by him and that he has in conformity with the law of the State of Michigan affixed thereto his signature and hereby acknowledges the same to be his free act and deed.

A. W. Williams T.S.
