Brown's Addition to the
Village of Huraya's
purifications of.

Received for record March 23rd 1872
at 9 1/2 o'clock A. M.

W. Evans, Registrar

Know all men by these presents that this is to specify and declare that the the undersigned Augustus Padgett Estlin E. his wife, Sanford Brown and Chas. A. his wife women and partners in the name of such parts of the following description of land so are not already included in the original plat of the Village of Newage in the County of Newage's and State of Mississippi, and hereby granted no future to the same.

The south half of the South East quarter of Section Twentyfour (24) in survey of Township number two n. (12) North of Range Section (3) West. Also the West fr. half of the South West quarter of Section number (19) in survey of Township number Twelve (12) North of Range Section (3) West Division of Michigan.

This Westward that we have caused the same to be surveyed and plotted for and the same known and designated as Brown's addition to the Village plot of Newage.

The spread grounds are laid out corresponding to and with the original plat of the Village forward. The street running in a northwesterly and a southeasterly corner being a continuation of the street of the original plat and bearing the same name.

There is also two new streets running parallel with Adams street the first is named Brown Street and the second is named Blood Street. State Street continued into this plat makes an angle of eighteen degrees and forty-six (18° 46') minutes and connects with the Grand Rapids and Newage State Road.

All of which is correctly shown upon a map or plat of said addition showing the position of its streets, lots and blocks. Also its connection with the original plat. Section three Section corner quarter past etc. The number of each block is shown in large black figures near the center. The number of each lot is shown near its corner by small red figures. The width of all streets and the width and length of lots is shown in small black figures near its end or side or forward in feet or decimals of a foot. All the blocks of the plat excepting those made fractional by the lines of the North, South, East and West sides of the Plat and the State Road contains lots and each lot is only one foot wide and one hundred and thirty-two feet in length. The length of all fractional lots is given in at least two sides in feet and decimals of a foot.

And all the streets of this addition are hereby dedicated to the Public for the use as such streets.
