JOHN S. WILSON'S
ADDITION
TO
BAY CITY

John S. Wilson addition to Bay City occupies a part of the north part of Fractions 8 and 9 of Section 28 of Town 14 North Range 3 East in Bay County Mich. The north line of Blocks 1, 2, 3, 4, 5, 6, 7, is the north line of Section 28. The East line of the addition is made by the East line of Fraction 8. The south line of the addition is a line drawn parallel to the north line and 650 feet from it. The West line of Blocks 8 and 9 is the East side line of the Road leading from Bay City to Port Huron and known as Water Street. Lots or squares, shaded and not numbered, represent parcels which were sold before this map was made. Figures in Block show the length of such lots in feet and decimal part of a foot. The streets running north and south are extensions of the streets of Bay City bearing the same names in the Port Huron part of Bay City.

I hereby certify that this map is made from field notes taken by me from actual survey by order of John S. Wilson, in April 1867.
