Of City Attorney:-
On November 1, 1982, the Planning Commission recommended that Crump Street between the east r/o/w line of Germania Street and the Saginaw River be vacated for the reasons that the said street was not developed, that the City of Bay City owns all adjacent property and that it was proposed to use the said street as part of Veterans Memorial Park. Inasmuch as all streets leading to a river must be vacated in accordance with state law, the petition for vacation was filed with the Circuit Court for the County of Bay and the Court ordered the said vacation on February 22, 1983.
It is recommended that said Order be referred to the City Clerk to advise all concerned parties and send notifications to the Michigan Department of Treasury pursuant to Section 256 of the new Subdivision Act 267, Public Act 288 of 1967.
Commissioner Laskowski moved adoption of recommendation.

SPECIAL ORDER

Of the City Manager and Planning Director:

It is recommended that the following resolution regarding the vacation of portions of Germania Avenue and Arnold Street be approved:

Whereas, the Bay City Planning Commission at its meeting of October 21, 1987 considered the petition of Jim Schaefer to vacate a portion of Germania Avenue and a portion of Arnold Street; said portions more fully described as: beginning at a point on the southeasterly right-of-way for Germania Street at the corner common to Lots 5 and 6, Block 24, of the Plat of the Village of Salzburg, thence northwesterly along the extension of the lot line common to Lots 5 and 6 a distance of eight (8) feet; thence northeasterly parallel with Germania Avenue sixty-six (66) feet; thence southeasterly one hundred twenty-eight (128) feet parallel with Arnold Street; thence southwesterly along the extension of the lot line common to Lot 6 and 7 of said Block 24, a distance of six (6) feet; thence northwesterly one hundred twenty (120) feet along the northeasterly line of said Lot 6; thence southwesterly along the northwesterly line of said Lot 6 a distance of sixty (60) feet to the point of beginning; and

Whereas, Mr. Schaefer owns a house that has been in his family since 1914 at said location, with portions of said house encroaching into the Germania Avenue and Arnold Street rights-of-ways; and,

Whereas, said house has been for sale but because of the encroachments he has been unable to transfer title; and,

Whereas, the vacation of said portions of these two streets will not seriously reduce the adequacy of the rights-of-way for street purposes; and,

Whereas, it is the recommendation of the Bay City Planning Commission to vacate the aforementioned portions of Germania Avenue and Arnold Street with the following five (5) conditions:

- (1) That if any portion of the structure is removed from the encroachment area, it not be rebuilt for any reason.
- (2) When the structure is removed from the vacated right-of-way that the vacation of these portions of Germania and Arnold Street be terminated and right-of-way be returned to the City.
- (3) That all determinations of the encroachment be based on the Certificate of Survey recorded in Liber 1066, Page 724, Bay County Register of Deeds.
- (4) That the City shall not pay to reclaim this vacated property if it should be required for any future City project.

- (5) No additional permanent structure shall be constructed on, over, or under this vacated right-of-way nor shall this vacated right-of-way be used to meet set-back requirements as prescribed by City's Zoning Ordinance. Usual utility easements are also to be retained; and,

Whereas, a resolution was adopted on November 16, 1987 ordering publication of notices and the holding of a hearing, said notices having been published in The Bay City Democrat, the official newspaper of the City of Bay City, on December 10, 17, 24 and 31, 1987 relative to the aforementioned hearings and certified notices thereof having been mailed to the public utilities and abutting property owners; and,

Whereas, a public hearing was held by the City Commission of Bay City on January 4, 1988 relative to the aforesaid request for vacation;

Now, Therefore, Be It Resolved And Ordered by the City Commission that portions of Germania Avenue and Arnold Street are hereby closed and vacated; said portions are more fully described as: beginning at a point on the southeasterly right-of-way for Germania Street at the corner common to Lots 5 and 6, Block 24, of the Plat of the Village of Salzburg, thence northwesterly along the extension of the lot line common to Lots 5 and 6 a distance of eight (8) feet; thence northeasterly parallel with Germania Avenue sixty-six (66) feet; thence southeasterly one hundred twenty-eight (128) feet parallel with Arnold Street; thence southwesterly along the extension of the lot line common to Lot 6 and 7 of said Block 24, a distance of six (6) feet; thence northwesterly one hundred twenty (120) feet along the northeasterly line of said Lot 6; thence southwesterly along the northwesterly line of said Lot 6 a distance of sixty (60) feet to the point of beginning.

Provided, however, that said vacation be approved with the following five (5) conditions:

- (1) That if any portion of the structure is removed from the encroachment area, it not be rebuilt for any reason.
- (2) When the structure is removed from the vacated right-of-way that the vacation of these portions of Germania and Arnold Street be terminated and right-of-way be returned to the City.
- (3) That all determinations of the encroachment be based on the Certificate of Survey recorded in Liber 1066, Page 724, Bay County Register of Deeds.
- (4) That the City shall not pay to reclaim this vacated property if it should be required for any future City project.
- (5) No additional permanent structure

shall be constructed on, over, or under this vacated right-of-way nor shall this vacated right-of-way be used to meet set-back requirements as prescribed by City's Zoning Ordinance.

And, further provided said streets are vacated upon the condition that the title to all gas, electric and communication poles, wires, pipes, conduits, cables, appurtenances and facilities now in, under or over said streets are reserved to and shall remain in the respective owners thereof, together with the Easement and rights to occupy said streets within the rights-of-way thereof for public utility purposes with present and additional facilities and to operate, maintain, repair, replace or remove the same; and, with the condition that no permanent structures be placed in the streets and if fences are constructed that they are to be removed at no expense to the utility companies when they are making repairs or installing lines.

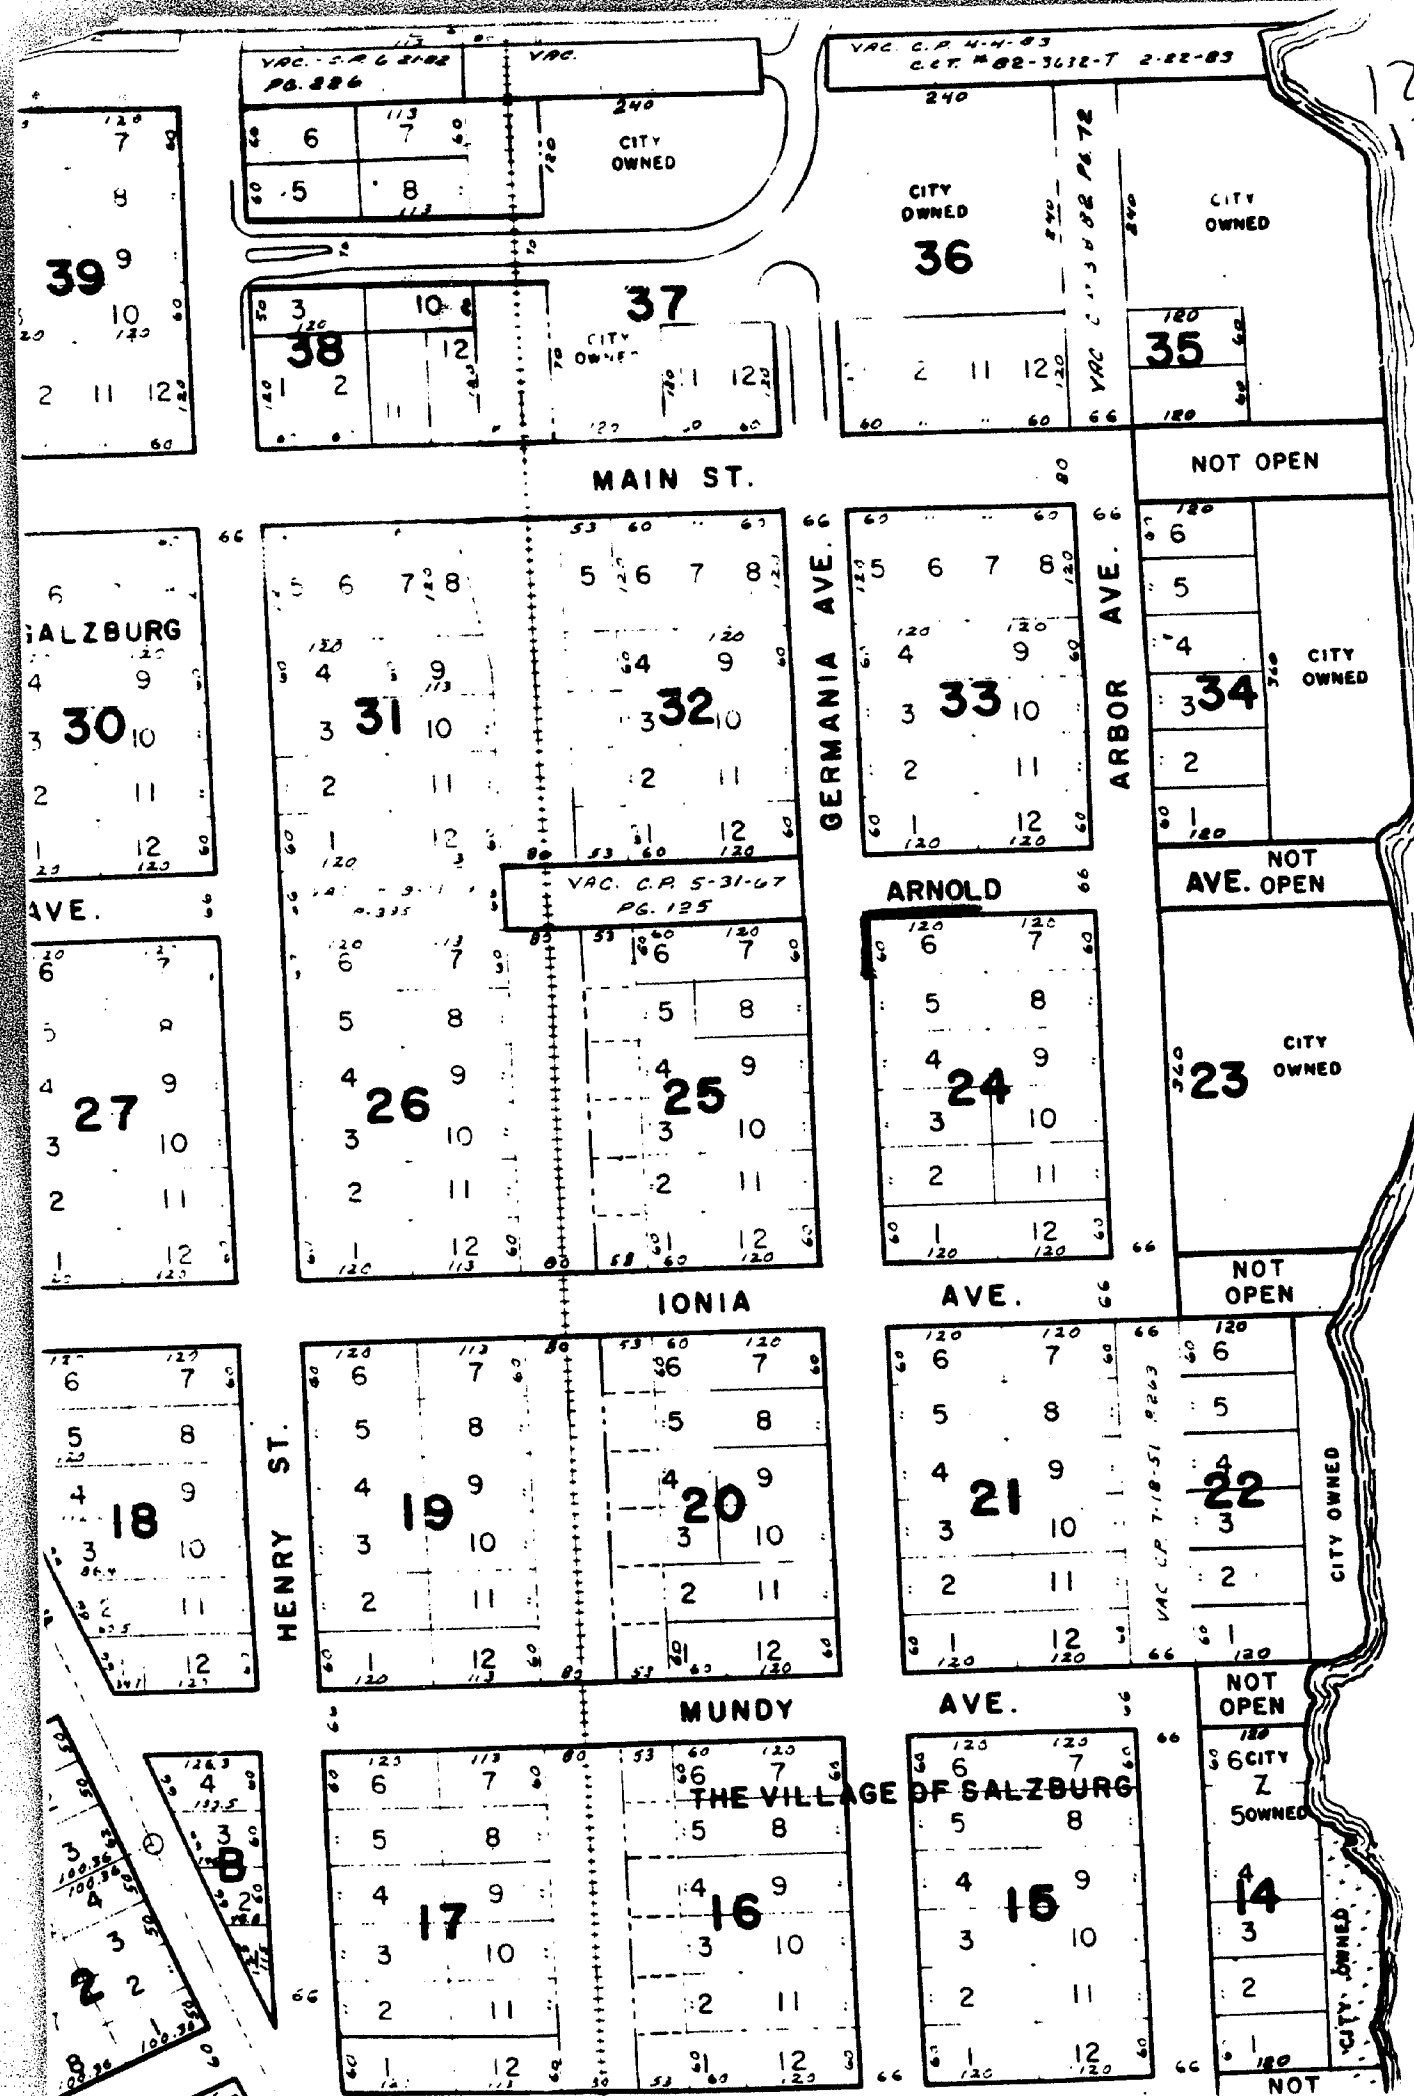

Commissioner LeFevre moved to allow public input regarding the proposed streets vacations. There was no objection. No one came forward.

Commissioner Toth moved to suspend the rules to permit any interested persons in the audience to speak regarding the proposed vacation. There was no objection.

Mr. John Howard, 202 W. Jenny, inquired as to why Crump Street was to be vacated. He was advised that it has to do with the development of

a new south entrance to the park so that the direct traffic will not be near the pool. Mr. Howard felt that the money is coming out of the taxpayers pockets no matter how you look at it being Federal, State or local monies. It was noted that the majority of the funds for this project came from the D.N.R. and the Kistler Foundation and that the City's General Fund was not tapped. Mr. Howard stated that he is not against park facilities because the City definitely needs parks. He inquired as to the price of the project and was advised that after exchange of land and sale of land in the vicinity somewhere in the area of \$100,000.
