Henry L. Barney Register
Charles G. Banks

The annexed is a Plat of an addition to the village Cassopolis Michigan, by Asa Kingsbury Proprietor and Platted by Surveyor Charles G. Banks. The land is situated in the North East Corner, West half North East quarter section thirty five town 6 S. R. 15 West (or Range township) Cass County Michigan, and includes the South West corner of the Public Square as laid out in the original Plat of said Village of Cassopolis, excluding of the portion on State and Broadway Streets. Said lands is bounded north by the South Margin of State Street, East by West Margin of Broadway Street, South by Lot Number 4 or Block One South and Range one West in said Cassopolis and west by Lot Number one in same Block and Range, and is Ten Rods North and South and seven Rods East and West Reserving a strip thirteen inches wide along the South side, State and Broadway Streets are each six Rods wide, Broadway running North and South and State Street East and West through the Center Geographically of said Public Square as aforementioned. The center of Broadway in the center of Public Square as laid out in said Village is thirty five and one half Rods on the section line West of North East angle of said section thirty five. There is an alley laid out on this Plat twenty feet wide on the South and West sides connecting with Broadway and State Street intended for public use and dedicated to the public for highway purposes. Lots are laid out from Number one to six inclusive. All lots on this Plat are thirty five and one half feet east and west and extend from West Margin of Broadway to the alley. Lot Number one being on the North side and is twenty eight feet North and South. Lot Number two is twenty four feet North and South. Lots three and four are each twenty two feet North and South. Lot Number five is twenty four feet North and South and borders on the alley on the South. All lots are as numbered and marked on this Plat. The North East corner of Lot Number one is four feet north of North East corner of Banks & Wilson's Brick Store measuring thence south along the West Margin of Broadway and the East line of the Brick Block brings the middle walls of each building correctly upon the line of lots as indicated on this Plat as the buildings are now located.
