John F. Johnson

Three A-1s were tested to the Village of Plymouth lots 7 and 8 of this plat. One test was run on the portion of lot 8 lying west of the center line between lots 7 and 8. It returned an average of 10.5 inches for the test line of lot 8, and 10 inches for the test line of lot 7. These results are to be used for other purposes only. Filed for record 15th Sept. 1938. 7th Aug. 1938. Filed December 15th 1938. - Volume 1433-1023.
