The image is a high-contrast, black and white scan of a textured surface, likely a book cover or endpaper. The texture is dense and grainy, with a vertical strip of lighter material on the left side. The overall appearance is abstract and noisy, with no discernible text or figures.

I have been thinking of you very much lately, and
 wondering how you are getting on. I hope you
 are well and happy. I have been very busy
 lately, but I have managed to find some time
 to write to you. I have been thinking of you
