

PLAT
of the
SECOND ADDITION
to the

VILLAGE of CALUMET

SCALE OF FEET

200 FEET TO ONE INCH

Blocks 10, 11, 12, 13, 14, 15, 16, 17, 18 & 19 constitute Second Addition.
See letter from ~~Washington~~ ^{London} to H. G. O. 11/25 m 1873/4

See letter from Montgomery to Wendell, # 40-17, 2nd, 1875/76
 from Kibbey & Co.
 Quebec, Mich., Aug 2nd, 1889

Specker, Ulrich. Aug 2nd. 1889.

The prominent mounds at angles of boundaries of the 2nd addition to the Village of Belmont and at the intersections of streets of some sections consist each and every one of an iron pipe one inch in diameter and six inches long driven and wedged tightly into a shell hole in a large trap or granite boulder, close to four cubic feet in size, set solidly on the ground.

Frank K. Kephth, Secretary.

State of Michigan } ss. The County Court made the seventh day of September
1897, at Jackson, Mich. The undersigned, the Commission of the County Court,
do hereby certify that the undersigned, the Commission of the County Court,
is the proprietor of the land embraced in the plat of the Second Addition to the
Village of Jackson, here shown, and that the undersigned Frank K. Roberts
is the surveyor who made said plat; that said plat of said Second Addition to
the Village of Jackson embraces all that portion of section number twenty, four (24)
in Township number thirty six (36), North of Range number thirty three (33) West of
said County of Jackson and described as follows, to wit: The point of beginning is located
as follows: From the quarter section (45) east on the West line of said section twenty four
(24) run along the West boundary of said section about one degree and twenty four minutes
East (S 89° 34' E) seven hundred and ninety four and six tenths (794.6) feet to the place of beginning;
thence about sixty two degrees and thirty nine minutes East (S 62° 39' E) four hundred and thirty six
and six tenths (436.6) feet; thence about twenty seven degrees and eleven minutes East (S 27° 11' E) twenty
seven hundred and twenty four and three tenths (2714.3) feet; thence about sixty two degrees and forty two
minutes East (S 62° 42' E) six hundred (600) feet; thence about twenty seven degrees and eleven minutes West
(S 27° 11' W) thirty one hundred and eighty eight and twenty four one hundredths (3198.2) feet; thence about
sixty two degrees and thirty nine minutes East (S 62° 39' E) eight hundred and eleven and fifteen one hundredths
(811.5) feet to a point on the West boundary of said section. thence four (4); thence along said West boundary
about (S 89° 34' E) feet to the place of beginning. On the foregoing description the section line running from the
quarter section (45) east on the West line of said section to the third West corner of said section is assumed to lie as
shown. thence about one and one half degrees East, the said surveyor, do hereby further certify that the said plat
is correct and that the monument described in it have been placed as therein described.

On witness whereof, the said Commission of the County Court has caused these presents to be attested by
its Clerk and Secretary, its said Clerk and Secretary and its Secretary signed the 7th day
of September A.D. 1897 and the said Frank K. Roberts has hereunto set his hand and seal on the eighth day of October
A.D. 1897.

Witness my hand and seal in presence of
John W. Smith J. M. C.
John P. Hendon J. A. S. B.
