There is still men by their heronry that are heavy built, William Campbell, Henry Campbell and William Smith all of the townships of Spring water beyond County Thurgay; and Elizabeth Clark of the township of Cassin's County and late of Newark, she herself, dedicated to the Society, the last six acres out of the tract as is mentioned on the map as having laid down, for a public highway, and for me after purchase a station. Could we do also agree to send with such others, that the right of way as laid down on this plat, should be reserved to the public use, for the same, and to their heirs and assigns for ever, as such right of way, and for me after purchase as follows
