 Before me a **Notary Public**, in and for said county on this, the **thirteenth day of June, A.D. 1893**, personally came the above named **Edward Ryan** known to me to be the **President** of **The Hancock Copper Mining Company** and **August Mette** known to me to be the **Secretary** of said Company, and they severally acknowledged the execution of the foregoing instrument of writing, by them subscribed to be the free act and deed of said Company.

Jeremiah T. Finnegan
Notary Public

The land embraced in the annexed plat of the **Hancock Copper Mining Company's Addition to the Village of Hancock**, is a portion of section number twenty-six (26) of Township number fifty-five (55) North of Range number thirty-four (34) West, situated in the County of Houghton, State of Michigan, and is described as follows:
 From the Section corner of sections twenty-seven (27), twenty-six (26), thirty-four (34) and thirty-five (35) Township fifty-five (55) North of Range thirty-four (34) West:
 Three hundred and fifty-three and twenty-eight one hundredths (353.28) ft East on the Section line between sections twenty-six (26) and thirty-five (35) to the Point of Beginning, thence East on said Section line between sections twenty-six (26) and thirty-five (35) for a distance of five hundred and two and sixty-three one hundredths (502.63) feet; thence North at an angle of ninety (90) degrees with said Section line a distance of eleven hundred and forty and sixty-one one hundredths (1146.61) feet; thence East at an angle of ninety (90) degrees with last course for a distance of four hundred feet (400); thence North at an angle of ninety (90) degrees with last course for a distance of three hundred and twenty-one and thirty-eight one hundredths (321.38); thence West at an angle of ninety degrees with last course for a distance of twelve hundred and thirty and eighty-three one hundredths (1230.83); thence South on Section line between sections twenty-seven (27) and twenty-six (26) for a distance of twelve hundred and thirty-one and thirty-three one hundredths (1231.33) feet to North boundary of the Mineral Range Railroad right of way; thence South East at an angle of one hundred and twenty-two (122) degrees and twenty-eight (28) minutes with last course for a distance of five hundred and two and sixty-three one hundredths (502.63) ft to the Point of Beginning.

I hereby certify that the plat hereon delineated is a correction, and that permanent monuments consisting of iron pins one (1) inch in diameter firmly set in boulders of granite and trap rock have been planted at all points marked thus: O as thereon shown at all angles in the boundaries of the land platted and at all intersections of streets, or of streets and alleys.
