NOTE: Not more than 2 corners, all in the same town and range, may be recorded on this certificate.

A. Description of original monument and accessories and/or subsequent restoration:  
1821 GLO Notes J. Wampler D.S. Set post and two accessories  
1920's GCRC Dwg #1008 No description of monument given; shown in centerline of Belsay Road  
1988 Survey and field notes Flint Surveying Carl Carlson PS #9189 1" Pipe in monument box and 3 accessories

B. Description of corner evidence found and/or method applied in restoring or reestablishing corner:

1998 Remon: Found Monument Box with 1" pipe at centerline Belsay Road

In 1821 J. Wampler DS set a post with two accessories for corner K-12, 40 chains (2640') north of corner K-13. Neither of the accessories exist in the 1998 Remonumentation Program. He then continued 40 chains (2640') North of K-12 to set K-11. In the 1920's Genesee County Road Commission drawing no. 1008, show corner K-12 in the centerline of Belsay Road but give no description of the object in place. The plans showed a measurement between corner K-13, K-12 of 2650.2 feet (1998, 2650.03 feet). Also a measurement between corners K-12, K-11 of 2644.3 feet, (1998, 2643.05 feet). Genesee County witnesses, no date show four accessories set, none of which exist today, also no description of the object in place is given. The next record of this corner appears in 1988 in a survey by Flint Surveying, Carl Carlson PS #9189. Mr Carlson indicates finding a 1" pipe in monument box at this corner. He also indicates setting three accessories, none of which exist in 1998.

In the 1998 Remonumentation Program, I am finding a 1" pipe in monument box in the centerline of Belsay Road. My measurement between corners K-13, K-12 of 2650.03', checks within 0.17 feet of the 1920's GCRC measurement of 2650.2 feet. The 1920's plans also indicated finding corner K-12 in the centerline of Belsay Road as we are in 1998. I accept the position of the 1" pipe in monument box as the best available evidence of the original corner.

C. Description of monument for corner and accessories established to perpetuate locating the position of the corner:

Found Monument Box with 1" Pipe @ Centerline Belsay Road  
N34°E 57.92' Fnd K. Carlson nail & tag SW face PP  
N45°W 70.32' Fnd K. Carlson nail & tag SE face PP  
S36°W 79.72' Fnd nail & tag 32332 in E'y face of PP  
S35°E 80.60' Fnd K. Carlson nail & tag NE face of PP

Ratified by Genesee County Peer Group November 18, 1998. I set the standard Bernsten Monument SS-A-5-BR-30 (3 1/4" D. brass cap stamped "Genesee County Remonumentation Corner 32332, 1998) with 30" x 2 3/8" O.D. Stainless Steel Tube with Plastic Base.

Ratified by Peer Group in accordance with P.A. 345, 1990

Signed by Gilbert G. Bonno
