Mile Corner no 2 1/2, Mich. --- Wisc. State Line

I, Richard L. Drahn in a field survey on September 25, 19 97, do hereby certify that under requirements of P.A. 74, Michigan P.A. of 1970, the corner points mentioned in lines 1 and 2 above were in conformance with regulations and rules therefore as required in the current manual of survey instructions of the United States Department of the Interior, Bureau of Land Management or by a decree of a Court of Law and/or that the corner points mentioned in lines 3, 4 and 5 above were in conformance with the rules of the Michigan Board of Land Surveyors or by a Decree of a Court of Law; established, re-established, monumented, re-monumented, recovered, found as expressed below:

**NOTE: Not more than 4 corners, all in the same town and range, may be recorded on this certificate.**

### A. Description of original monument and accessories and/or subsequent restoration:

Corner established by William Burt in 1847. Original B.T.s --- Y. Birch 16" S.62 E. 21 links (13.86') --- Maple 10" N.23 W. 6 links (3.96') ---

Corner restored in 1928 by Earl G. Harrington from the remains of the two original B.T.s. He set a standard brass capped concrete monument and two new B.T.s:--Hemlock 14" S.00-30 W. 41.6' --- Y. Birch 10" N.06-15E. 14.2'

Daniel K. Pleoger (Wisc. No. S-1537) recovered the concrete monument on 5/2/85 and established the following new B.T.s: --- 9" (11") Red Maple

### B. Description of corner evidence found and/or method applied in restoring or reestablishing corner:

N.40 W. (N.40 W.) 3.62' (3.46') --- 8" (11") Yellow Birch N.51 E. (N.53 E.) 36.47' (36.47') --- 6" (9") Sugar Maple S.67 E. (S.66 E.) 37.63' (37.60') --- 10" (13") Hemlock S.01E. (S.02 E.) 30.88' (30.67') ---

I recovered the concrete monument as described in Harringtons notes and the 1985 B.T.s as described in parentheses above. No evidence remains of the 1847 Y. Birch B.T.. A very large, badly decayed Red Maple stump still remains at N.23 W. 4.0'.

Research form on file with Gogebic County records.

A stump hole with Yellow Birch wood and bark are all that remains from the 1928 B.T.s.

### C. Description of monument for corner and accessories established to perpetuate locating the position of the corner:

From the above described concrete monument I established the following new bearing object:

6' Steel sign rail S.01 E. 2.76'

PEER GROUP APPROVED

Richard L. Drahn 10/6/97  
COUNTY REPRESENTATIVE
