Mile Corner No. 3, Mich. --- Wisc. State Line

I, Richard L. Drahn in a field survey on September 25, 1997, do hereby certify that under requirements of P.A. 74, Michigan P.A. of 1970, the corner points mentioned in lines 1 and 2 above were in conformance with regulations and rules therefore as required in the current manual of survey instructions of the United States Department of the Interior, Bureau of Land Management or by a decree of a Court of Law and/or that the corner points mentioned in lines 3, 4 and 5 above were in conformance with the rules of the Michigan Board of Land Surveyors or by a Decree of a Court of Law; established, re-established, monumented, re-monumented, recovered, found as expressed below:

NOTE: Not more than 4 corners, all in the same town and range, may be recorded on this certificate.

A. Description of original monument and accessories and/or subsequent restoration:

Corner established by William Burt in 1847. Original B.T.s --- Cedar 9" S.30 W. 5 links (3.30') --- Y. Birch 8" N.52 E. 13 links (8.58') ---

Corner restored in 1928 from the two scribed original B.T.s by Earl G. Harrington. He set a standard brass capped concrete monument and no new B.T.s.

Daniel K. Pleoger (Wisc. No. S-1537) recovered the concrete monument and the two original B.T.s, one still alive. He set three new B.T.s: --- 15" (15") Cedar N.67 W. (N.67 W.) 20.34' (20.19') --- 8" (9") Cedar N.64 E.

B. Description of corner evidence found and/or method applied in restoring or reestablishing corner:

(N.65 E.) 36.04' (36.35') --- 12" (12") Cedar S.47 W. (S.47 W.) 30.21' (30.03') ---

I recovered the concrete monument as described in Harringtons notes and the 1985 B.T.s as described in parentheses above. The 1847 Cedar B.T. is now a 12-14" decayed Cedar windfall with GLO blazes. The original Y. Birch B.T. is now a 22" live Yellow Birch with GLO blaze bearing N.52 E. 9.08' to a nail in the side of the B.T.

Research form on file with Gogebic County records.

A 11" scribed ( 3 M ) Cedar stub bears S.75 W. 7.9', source unknown.

C. Description of monument for corner and accessories established to perpetuate locating the position of the corner:

From the above described monument I established the following:

6' Steel sign rail N.19 E. 3.20'
