AND

Old R.R. Grade South 34.3

DESCRIPTION IN DETAIL AS TO HOW CORNER WAS LOCATED AND IDENTIFIED OR RESTORED.

This corner was restored according to B. L. Caukins record by measurements and offsets from other recovered corners. Unable to positively identify post bottom in disturbed soil, nor B.L.C. BTs, but feel confident corner is recovered as established in 1919 survey. No U. S. evidence left, but Caukins' record claims supporting evidence at nearby corners, and was used in his retracement of this township.
