DOSSIER FOR: THE SOUTH 1/4 CORNER OF SECTION 13, MILFORD TOWNSHIP,
T 2 N, R 7 E, OAKLAND COUNTY, MICHIGAN. Prepared under contract with the
County of Oakland Under Act 345 of the Public Acts of 1990.

HISTORY:

This Corner was originally set by the GLO half way between the Southwest and the Southeast Corners of Section 13, the County Surveyor Russel measured this mile. This Corner has not been recorded and other than the County Surveyor we have no surveys showing any distances to adjacent Corners.

COLLATERAL EVIDENCE:

We set a concrete monument and remonumentation cap midway and on line with the Southwest and the Southeast Corners of Section 13 per the Government Instructions for a lost Corner. This Corner lies in a swamp. There is no evidence of occupation in any direction from the Corner. We measured about 6 feet longer for the mile than the GLO and about 18 feet longer than the County Surveyor. We searched at least 50 feet in each direction for other stakes and found none that might represent the Corner.

SURVEYOR'S RECOMMENDATIONS:

This Corner location is a careful and faithful re-establishment of the position of the Original Corner by single proportion measurement by the Contractor per the Government Instructions for a Lost or Obliterated Corner. Therefore, I recommend that the Peer Review Group accept this Corner as monumented, with the references as shown on the enclosed form prepared according to Act 74 of the Public Acts of 1970.
