SECTION

I, Joseph C. Domitrovich, in a field survey on January 5, 1998, do hereby state that under requirements of P.A. 74, Michigan P.A. of 1970, the corner points mentioned in lines 1 and 2 above were in conformance with regulations and rules therefore as required in the current manual of survey instructions of the United States Department of the Interior, Bureau of Land Management or by a decree of a Court of Law and /or that the corner points mentioned in lines 3, 4 and 5 above were in conformance with the rules of the Michigan Board of Land Surveyors or by a Decree of a Court of Law; established, re-established, monumented, recovered, found as expressed below:

NOTE: Not more than 2 corners, all in the same town and range, may be recorded on this certificate.

A. Description of original monument and accessories and/or subsequent restoration:

Corner of Sections 17, 18, 19 and 20, T47N, R40W

1851 Wells Burt set post: 14" Cedar N55°W 12 links
24" White Pine S23°W 14 links

1972 Donald Lappala P.S. 12585, for U.S. Forest Service, recovered the fallen 14" Cedar Bearing Tree and remains of the stump of the White Pine Bearing Tree. He reset a 2" x 5" galvanized iron pipe with a 3" diameter brass cap at the corner using the recovered Bearing Trees and established 4 new witnesses:

- a. 20" White Pine West 62.2'
- b. 17" White Pine N12°E 39.0'
- c. 18" Spruce S35°W 13.6'
- d. Steel Sign Post N53°W 2.9'

B. Description of corner evidence found and/or method applied in restoring or reestablishing corner:

I recovered the Forest Service Monument set by Lappala. It had been pushed down flush with the ground by a Skidder. I also recovered the three Bearing trees and the bent base of the steel sign post. Distances from the Bearing Trees to the recovered monument checked well. I accepted the monument as found. I added nails to the sides of the existing bearing trees and accepted them. I found no remains of the original Bearing trees noted by Lappala.

Research on file with County Remonumentation Representative.

C. Description of monument for corner and accessories established to perpetuate locating the position of the corner:

Corner is a recovered 2" diameter galvanized pipe with a 3" diameter stamped brass cap.

Witnesses:

- a. 24" White Pine West 62.20' (Existing)
- b. 17" White Pine N15°E 39.00' (Existing)
- c. 20" Spruce S35°W 13.57' (Existing)
- 13" Spruce N52°W 52.04' (New)
- Steel Sign Post East 0.90' (New)

PEER GROUP APPROVED

Earl W. Applekamp
COUNTY CLERK
5-13-98

NOTE: Bearings are magnetic. Distances are to a nail in side of the witness object unless noted.
