I, Stephan J. Szyszkoski, in a field survey on 10/02/12 do hereby state that under requirements of P.A. 74, Michigan P.A. of 1970, the corner points mentioned in lines 1 and 2 above were in conformance with regulations and rules therefore as required in the current manual of survey instructions of the United States Department of the Interior, Bureau of Land Management or by a decree of a Court of Law and /or that the corner points mentioned in lines 3, 4 and 5 above were in conformance with the rules of the Michigan Board of Land Surveyors or by a Decree of a Court of Law; established, re-established, monumented, recovered, found as expressed below:

NOTE: Not more than 2 corners, all in the same town and range, may be recorded on this certificate.

A. Description of original monument and accessories and/or subsequent restoration:

(F6) Center of Section 16. 1989 - Established by G.L.Wiggins RLS at the intersection of 1/4 lines. Set 1"IDx36" iron pipe with 4" alum. MDNR cap. 20" W.Pine S55W 12.5', 6" W.Pine S26E 6.8', 8" W.Pine N03W 12.0', 20" W.Birch S8W 2.0'.

(9) East 1/16 corner, Section 16. 1989 - Established by G.L.Wiggins RLS midway and on a straight line between F6 and G6. Set 1"IDx36" iron pipe with 4" alum. MDNR cap. 10" S.Maple S24W 17.4', 12" R.Maple N50W 30.1', 8" R.Maple N12W 32.6', 24" R.Maple N19E 7.0'.

B. Description of corner evidence found and/or method applied in restoring or reestablishing corner:

(F6) Found the 1989 monument in good condition and at record bearing and distance from the 1989 accessories with the exception of the 20" W.Birch S8W 2.0', which was found to bear S80W from the corner. The monument was found 2.58' westerly of the position intended in 1989 and I attribute the difference to a slight error made in 1989. As the monument has not yet been relied upon by local landowners, I removed the 1989 monument and reset it at the intersection of straight lines connecting opposite 1/4 corners, being the position intended in 1989.

(9) Found the 1989 monument in good condition and at record bearing and distance from the 1989 accessories. The monument was found 4.09' southwesterly of the position intended in 1989 and I attribute the difference to an error made in 1989. As the monument has not yet been relied upon by local landowners, I removed the 1989 monument and reset it at the intended position -- midway and on a straight line between Center of Section 1323.86' west and Quarter corner 1323.86' east.

C. Description of monument for corner and accessories established to perpetuate locating the position of the corner:

(F6) Set 1"IDx36" I.pipe with 4" alum. MDNR cap. Set measuring nail with MDNR tag in the side of:
20" W.Birch S85W 5.1' mrkd "CS BT"
26" W.Pine S61W 15.75' do
8" W.Pine N06W 6.7' do
7" Maple N33W 13.7' do
E= 8071930.400 N= 187784.457

(9) Set 1"IDx36" I.pipe with 4" alum. MDNR cap. Set measuring nail with MDNR tag in the side of:
24" Maple N18W 4.55' mrkd "E1/16 BT"
7" Sugar N59E 14.4' do
13" Sugar S31W 21.5' do
18" Maple N55W 31.9' do
E= 8072333.845 N= 187788.124

Bearings are magnetic. Coordinates are MCS83 in meters.
