B. Description of corner evidence found and/or method applied in restoring or reestablishing corner:

- C-5 Section Corner common to Section 7, 8, 17 & 18, T7N-R4E, Venice Township, Shiawassee County
Found no evidence of the original government corner or accessories. Found 1/2" re-rod with cap #24622 in the approximate
centerline of Vernon Road. Upon excavation, discovered a bent T-iron 0.6' below grade and crockery 2' below surface.
Measured South to C-6 = 2646.90', North to C-4 = 2641.01', West to B-5 = 2640.42'. Found no conflicting evidence in the
vicinity of the found re-rod. We recommend that the found T-iron be accepted as a careful and faithful perpetuation of the
position of the original government corner and be replaced with a standard Shiawassee County Harrison monument and
place a monument box.

C. Description of monument for corner and accessories established to perpetuate locating the position of the corner:

- C-5 Section Corner common to Section 7, 8, 17 & 18, T7N-R4E, Venice Township, Shiawassee County
